September 1, 2020

Dear Parent / Guardian,

Due to a COVID19 concern we are closing down the facility for 14 days and are bringing back BioPure to sanitize the facility and the buses. As you know we have been taking all of the necessary precautions to ensure the safety of our children and staff at York Williams CDC. The administrative staff will remain available. Please call the office at 870-538-3041 if you have any questions.

We appreciate your understanding.

Dr. Hagit Gregory
York W. Williams CDC, CEO
